Signature of Applicant

\_\_\_\_\_  
Date

- Applicant must sign the application form to be considered for appointment.
- Applications and supporting materials must be received by the Commission no later than March 31 if you are applying for a regularly expiring term. For other vacancies in the position of appointed supervisor, applications must be received by a date specified by the Washington State Conservation Commission.
- A conservation district board Supervisor serves without compensation, although expenses related to your board position may be reimbursed. Conservation district board meetings are usually held monthly and may last one to several hours. There may also be committee meetings, and your participation at annual meetings of two conservation district associations is very desirable.
