## **San Juan Island Tour**

**September 14, 2016**  
**1:00 – 5:00 PM**

*Please join the San Juan Islands Conservation District for a tour of San Juan Island highlighting district projects and local attractions.*

### **Tour Locations and Highlights**

- ☆ **Energizing Our Local Youth**
  - Visit the Friday Harbor High School STEM Building and see our solar array installation and renewable energy curriculum in action.
  
- ☆ **Restoring a Watershed**
  - Visit the False Bay Watershed, Zylstra Lake, and False Bay Creek Farm.
  - Hear about our Watershed Assessment, Hydrologic Study, Riparian Restoration and Water Management projects.
  
- ☆ **Lime Kiln State Park**
  - Take a break and walk along the marine shoreline, and maybe catch a glimpse of an Orca or two.
  
- ☆ **Building Healthy Soil and Conserving Water**
  - Visit local farms that are improving soil health and practicing water conserving irrigation techniques.
  - Hear about our soil health initiative and drought conservation plan.
  
- ☆ **Practicing Stormwater Management**
  - Visit Roche Harbor Resort and view low impact development techniques.
  - Hear about our stormwater monitoring program and projects.

**An Interactive Dinner will follow the tour,  
6:00 PM at Brickworks in Friday Harbor**
