

PROCESS for the Election of the Elected Member of the Conservation Commission

Special Note: All Supervisors may vote for the elected Commission member at the WACD Annual Meeting.

For 2018 there will be one district elected position on the Conservation Commission up for election this year - the Eastern Washington district representative.

Consistent with [WSCC Interpretive Statement 13-01](#), the following process will be used for the election of the elected members of the Conservation Commission:

1. The Commission shall issue a notice of opening for candidates for elected Commission member on September 17.
2. Interested candidates will submit their interest in the elected Commission position no later than close of business on Thursday, November 1. Interested candidates must use forms provided at the Commission's webpage at: www.scc.wa.gov
3. Commission staff will distribute via email the list of all candidates who submitted their interest to the district supervisors by close of business on Monday, November 5.
4. Since all conservation district supervisors are eligible to vote for the Commission elected position nominee, even if the conservation district is outside the area of the elected member, conservation district supervisors are encouraged to discuss the position and candidates at the area meetings.
5. Nominations from the floor at the annual meeting of the supervisors prior to the election shall be allowed.

Individuals interested in being a candidate for the elected Commission member position are requested to complete the following form: <https://www.formstack.com/forms/?2135162-0xZB7kTiMe> and providing it to Commission staff **NO LATER THAN CLOSE OF BUSINESS THURSDAY, NOVEMBER 1, 2018**.

The only requirement in statute for the position is that the candidate resides in eastern Washington for the eastern position. Candidates can provide other information which will help district supervisors with their decision on the election.

Forms may be mailed to (and must be **received** at the Commission office by close of business Thursday, November 1.):
