Conservation Commission Motion

Thurston Conservation District Investigation #2

Motion by Commissioner Williams to adopt recommended option 4: The Commission exercise its power to begin the appointment process in filling Rushton's expired board position. In the selection process the board would consider all interested applicants including Rushton (if he applies) to complete the term of this appointed supervisor position. The final decision for appointment will be made at the December 5, 2019 meeting. The other options presented will be considered at the September 18 meeting. Seconded by Commissioner Dorner. Motion carried.
